

Carefully Made Shaft Collars and Couplings

31 October, 2022

Dear Valued Ruland Customer,

Ruland Manufacturing has reviewed the Administrative measure on the Control of Pollution Caused by Electronic Information Products which concerns the use of certain dangerous materials in electrical and electronic devices. Specifically, guidelines GB/T 26572 and SJ/T 11364-2014.

After review, it has been confirmed that all Ruland products are China RoHS2 compliant, with any restricted materials within accepted levels, per the China RoHS2 Restricted Substances regulations.

Please let me know if you have any additional questions.

Best Regards,

Dustin Vinci
Engineering Manager
